Responsible Party Call List Form
Rancho Cucamonga Fire Alarm Only

Customer: _____ Date: _____ Acct No: _____

Address: _____

After the alarm has been activated, we will make every reasonable effort to contact the occupants prior to dispatch per Rancho Cucamonga Fire Protection District request to help stop a false call to the authorities.

The Primary verification phone number should be the premise phone number at the site that will be answered. If you do not have a "landline" at the premises please check the appropriate box below.

[] No, I do not have a landline at the alarm location.

[] Yes, I do have a land line at the alarm location to call after an alarm activation:

Premise Phone Number () _____ (Phone # where alarm is located)

Responsible parties to call if no one answers at the above number:

(This might include your cell, business, home, employee, relative or neighbor's phone #)

Enhanced Call Verification or "ECV" is a phone number that our operators will also call prior to dispatching the authorities. The first number is always an ECV.

Table with 6 rows for phone numbers and columns for ECV status, Phone number, Home (Hm), Business (Bs), and Cell phone.
